

AUGUST 19-21, 2017

CITY OF MENAN

GREAT AMERICAN

ECLISPE WATCH!!

City of Menan Invitation to Come and Enjoy!!

Come join us for the Great American Eclipse 2017! Our rural community is located 5 miles south of the Menan Buttes and right in the totality zone! The center of the Eclipse will pass over the north rim of the North Butte on Aug. 21, 2017. We are in the prime viewing area for this once in a lifetime event! Our city will offer dry RV parking around our city park and tent camping in the park. There are no electrical hookups, however there are picnic shelters and restrooms in the park. We will also have a rest aid station available across from the park in the City Building with restrooms available there as well. The City will also have portable restrooms set up in nearby areas as well as food and merchandise booths for all of your food and shopping services! So the City of Menan extends an invitation to come and enjoy this once in a lifetime opportunity in our beautiful part of the world! Call or visit our website to reserve your space now!!! <http://www.cityofmenan.org/>
